SERVICES DELIVERED

- SOFTWARE FUNCTIONAL AND PERFORMANCE TESTING
- INDEPENDENT VERIFICATION AND VALIDATION (IV&V) AND TECHNICAL ANALYSIS
- SOFTWARE DESIGN AND DEVELOPMENT
- PROJECT MANAGEMENT AND METHODOLOGY
- ORGANIZATIONAL PERFORMANCE/PROCESS IMPROVEMENT

The pressure to deliver successful software projects continues to grow, particularly when individual projects are part of a larger network, like in healthcare.

AEGIS.net, Inc. (AEGIS) provides technology services that help organizations translate their strategic business goals into IT initiatives and solutions that significantly improve performance, solving even the most complex problems.

AEGIS is a CMMI® Maturity Level 3 (DEV and SVC+SSD v1.3) rated, ISO 9001:2008 certified small business and premier provider of Information Technology consulting services to Federal Civilian, Defense and Commercial sector clients. Since 1996, AEGIS has provided trusted advisory leadership and support to our customers.

Our mission is to ensure the long-term success of our clients by making certain that every dollar invested in our services is a wise and solid investment in the future of their business.

"In a highly competitive market like ours, we depend on business partners that get the job done right the first time. We've learned we can count on AEGIS. Their dedication to quality and the depth of their experience is evident in every project we have entrusted to them."
